

# Dipul Poudel

Creative Technologist — Founder — Independent Researcher  
dipulpoudel123@gmail.com +977 9769387781 dipulpoudel.com.np

## Professional Identity

---

Multidisciplinary creative technologist operating at the intersection of **information technology, digital media systems, and independent research**. Founder of an internationally visible creative label with sustained output since 2018, formal recognition on platforms including **IMDb, FilmFreeway, PRLog, Indiefy, and EverybodyWiki**, and experience translating creative concepts into scalable digital products. Demonstrated leadership across Rotary, Interact, and civic organizations, combined with early research engagement through independently published theoretical work. Seeking rigorous undergraduate education in **Information Technology / Creative Technology** to formalize technical depth and contribute to globally relevant digital innovation.

## Education

---

### Higher Secondary Education (+2) — Science (Computer Science)

**Valmiki College, Nepal** Completed: 2082 (N.E.)  
Grade 12 GPA: 2.97

*Core Academic Areas:*

- Computer Science and computational logic
- Physics and applied mathematical reasoning
- Chemistry and scientific problem-solving
- Mathematics and analytical foundations

### Secondary Education (SEE)

**Valmiki Shiksha Sadan, Nepal** Completed: 2079  
Grade 10 GPA: 3.50 — Grade 9 GPA: 3.60

## Entrepreneurial, Creative & Intellectual Work

---

**Founder & Creative Director — imdipul Records** 2018–Present

- Founded and independently operated a creative technology label focused on music production, digital publishing, and online distribution systems.
- Produced, composed, edited, and globally distributed original music across major digital platforms.

- Achieved formal **IMDb credits** as Writer, Composer, and Editor, reflecting professional-grade creative and technical output.
- Designed and executed end-to-end creative pipelines including ideation, production, branding, publishing, and audience engagement.
- Sustained long-term independent work demonstrating discipline, self-direction, and project ownership.

### **Independent Researcher — Loss-Reclamation Priority Theory (LRPT)**

- Conceptualized and published **Dipul's Loss-Reclamation Priority Theory (LRPT)** on the Open Science Framework (OSF).
- Demonstrates early engagement with research abstraction, logical structuring, and theoretical exploration beyond formal curriculum.
- Reflects intellectual curiosity and capacity for independent academic inquiry.

## **Technical & Professional Experience**

---

### **Web Developer — Pin Bazaar**

**2022–2024**

- Designed and implemented functional web interfaces aligned with business and user requirements.
- Applied front-end development practices, content integration workflows, and usability considerations.
- Collaborated with non-technical stakeholders to translate requirements into digital solutions.

### **Freelance Music Producer**

**2022–2023**

- Delivered end-to-end music production including composition, sound design, mixing, and editing.
- Collaborated with independent artists and content creators under project-based timelines.

### **IT Officer — Rotary District 3292 (Nepal & Bhutan)**

**2022–2023**

- Provided IT coordination and digital communication support at district level.
- Assisted in managing online platforms, documentation systems, and virtual events.
- Supported technology-enabled collaboration across multiple civic organizations.

### **Editor — Rotaract Club of Narayangarh**

**2024–2025**

- Edited digital publications, reports, and outreach materials.
- Strengthened clarity, consistency, and public-facing communication.
